Shot #	Shot size / angle	Movement	Notes
close	high	slow zoom in	It could be a POV shot from superman.
Over the shoulder	low	none	It shows superman above batman to show how superman is stronger.
Over the shoulder	High	none	This shot makes batman look small
Over the shoulder Long	Slightly low	tilt	This shot is superman coming down to Batman's level.
Mid close	Eye level	zoom in	This shot zooms from mid to close.
close	Eye level	none	The shot seems to be hand held
close	Eye level	Hand held	Shot follows
close	High	dolly	This is a shot of Batman's feet as he's walking backwards.
close	Eye level	Hand held	Shot follows
Mid close	High	dolly	Shot follows superman's feet as he walks and zooms in from mid to close.
Long	side	none	this is a static shot of superman getting shock waved.
mid	Eye level	Static, Camera shake	This seems to be a fixed shot with camera shake.
close	Eye level	Slow zoom in. hand held.	There's camera shake as the camera zooms.
mid	Pov	Tilt	The camera tilts down and back up as superman picks up a grate.
Over the shoulder Long	Slightly low	Zoom in	The shot zooms in as fast as superman walks up to Bruce.
Over the shoulder long	Eye level	Slight zoom	The camera zooms slower than superman's walking so he walks into shot over his shoulder.
long	Side	Static	They are walking towards each other.
Extreme close up	Side	Slight shaky cam	There sharing an exchange

close	Over the shoulder	Static	Superman pushes batman away from the camera changing the shot from close to mid to long
