PERSONAL STATEMENT

A motivated, Creative and adaptable 3D modeler seeking a position in games development that will use my professional and technical skills developed over time. I am quick to solve problems and my creative thinking helps me to come up with ideas really fast, also I always try to meet the dead lines and finish my work on time.

EDUCATION

Level 2 Creative Media

Sep 2019 - Jun 2020

Bradford college, Bradford

It was a introduction to games development and even more in to 3D modelling which was the start of my interest in 3D modelling and games development.

Level 3 Creative Media

Sep 2020 - Jun 2021

Bradford college, Bradford

I didn't really enjoy the first year of level 3 because of corona virus which made the first year of level 3 really unpleasant and unproductive.

Level 3 Creative Media extended

Sep 2021 - Present
