

Ensemble Composition Rehearsal – 10/09/19

SELF-ASSESSMENT

Your Name: Carys

1. Video record your ensemble performing the composition on the Ipad. 2. Watch the footage back and listen to the audio. 3. Complete your individual and group self-assessment below (one target for each). 4. Rehearse the song again, focusing on improving your individual and group target. 5. Video record your song again once you feel improvements have been made.	
What is <u>your</u> individual target to improve upon today? Be specific where possible, e.g. to improve my rhythm and timing in the bridge of the song, to create new lyrics for the second verse and memorise them, to learn the song structure and dynamics	Perfect the chords in the key change and remember LEFT HAND!!
What is the target for <u>your</u> group? Be specific where possible, e.g. to top and tail the song, to work on performance skills (communication, stage presentation, etc.), to ensure everyone has the correct equipment	improve on dynamics (louder chorus) (quieter ending)
What is the length of your song?	2:58
