

There is song to accompany the credits. Please can each credit be on a different screen. If each screen lasts 3.5-4 seconds it should be about 2mins 15secs (approx.!). Audio can fade out at end of credits, will sound good about 2:10-2:20? Can send a shorter edit of audio if it helps? I have put a space between each credit. PLEASE PUT YOUR CREDIT WHEREVER YOU WANT!
