Musical Theatre- Grease

I have developed my confidence skills because I have worked with people I have never worked with before. I know how to memorize all my lines because I used to struggle. I have developed and improved my communication skills

tutor feedback on board and improve by doing this I can develop. I follow instructions by using the studio, equipments, other resources respectfully, professionally and seriously. I do my independent study at home every day so

As my work progresses I will change it on word. I can ask for feedback from my tutors and they can tell me what I need to improve on and what I'm doing good
