Tutor observation; Practical sessions

Practical Skills

Aliya you are a conscientious student and always put effort into every task set. You have clearly brought a great deal of your learning from level 2 forward into level 3. You are often found supporting others in the session. You are open minded and will attempt any and all tasks set. You can at times doubt your abilities in practical sessions and this can impede on your learning.

Areas for Development

- Develop confidence in your ideas and push them forward. You have some brilliant ideas Aliya don't shy away from sharing them.
- Continue to develop your professional practice in the space.

Student Comments:

I need to be more confident in my self not let people distract me so that I'm more professional on stage.
