

SCOTT
today was one of the worst days of my
life

SCOTT
can things get any worse for me

Scott looks up in the sky and hears the thundering sound of
lightning as the sky get's gloomy

SCOTT
it's getting pretty dark I should head
home

Scott walks his way home and eventually get's struck by
lightning and drops to the ground and is unconscious

apparently Scotts is woken up by a doctor

DOC
Scott wake up

Scott wakes up

SCOTT
where am I?

DOC
you just a had accident but don't
worry every thing is going to be okay

suddenly the dad walks in to see if his son is okay

DAD
how is he doc is he okay

DOC
don't worry he's going to be fine

DAD
thank you doc

with a sign of relief the dad walks in to see his son

DAD
hey Scott how are you feeling

SCOTT
I am okay I do feel a little light
headed

DAD
come on Scott let's go home

SCOTT
okay

on they way home something unusual happens to Scott
suddenly Scotts hands starts to shake

DAD
Scott are you okay

SCOTT
no something is happening to me but I
don't what it is

SCOTT
I can't stop it

DAD
don't worry Scott everything is going
to be okay

SCOTT
I feel dizzy and light headed

apparently Scott drops to the ground and is unconscious
and the shot fades to black
