

<p>Strengths</p> <p>Lots of potential different things that I could brand</p> <p>Good way too reach out to different groups of people</p>	<p>Idea 1Poster branding</p>	<p>Weaknesses</p> <p>Does not show skill development very well</p> <p>The branding requested could be too simple and bland</p> <p>May be difficult to get into contact with different brands</p>
<p>Opportunity</p> <p>Allows me the opportunity to work with a company on the project</p>		<p>Threats</p> <p>Must make sure if I do brand for a company, I have made sure to reach out to them for permission</p>

Strengths

I have previous expertise with creating a documentary and would give me a chance to improve my skills and shown how I have grown

Idea 2 Documentary

Weaknesses

Must make sure that I show improvement from my previous project otherwise it will look like I have made very little progress

opportunity

Gives me a good opportunity to show the skills I have learnt throughout the year

Threats

Must make sure I do something different and bigger in scale than my previous project otherwise my progression will look poor
