

## Short film

### Granted love

#### Actors/character profile-

This short film is a romance in which the actors will be seen in two main moods which will be a happy and sad mood.

There are 5 characters-

They will all be dressed in fall/winter looks dressed in cute outfits such as Jumpers, Dresses, Vest Sweaters, High necks, Trench Coat, High Boots.

2 main characters who are a couple and have been together for 4 years. They look mature.

One main character is a female named Abella, she looks 21/22. She always dresses very feminine and cute.

The second main character is a male actor named Travis, he looks in his mid-20s, mature. He dresses smart, so you mostly will see him wearing different high necks and trousers in neutral shades.

The third character is Harry in his 20's dresses smart, hangs around with Abella and Travis and is always helping them around. He has such a firm and gentle approach and is only caring.

The florist, there will only be one scene of her, she is young and looks 19/20. She will be seen in an apron and working, and she will have a very bubbly character.

There is a florist assistant. Who will be seen assisting the florist when serving Travis. She will be seen in nice casual work clothes with a bubbly character.

Extras required in the background of some of the shots to include bystander's reactions for argument scenes. Extras should be dressed in casual lounge wear. All makeup if any should be natural.
