Tutor observation: Practical sessions

Practical Skills
 You are working very well within this production. You are an active and supportive member. You fill in for missing characters and provide valuable support to cast who are off script.

Areas for Development

- Continue to improve your volume, diction and accent as Cha Cha.
- Continue to maintain your professional practice.

Practical Skills
 Timea, at points you seem to channel I lose focus on what you are doing. You are excellent team player in the studio & this shows when you offer support to your peers.

Areas for Development

- Work on level of focus.
- projection

Peer Feedback Comments
 You take developmental feedback well, you like to listen and concentrate when in explaining and showing you vocal techniques. You just need to work on your pitch.

Practical Skills
 You are working as a strong professional level. Your planning is strong and your production role is shining through. Well done.

Areas for Development

- Just be careful of your tone with cast + crew sometimes.
