

## Dairy of the documentary

Wednesday 9<sup>th</sup> I will use a camera and the other equipment needed and make the interview and make sure to make the intro to the document as well and well as the title sequence

Thursday 10<sup>th</sup> I will continue making the documentary and finish the documentary and I will make the end sequence

Friday 11<sup>th</sup> I will edit the process and finish putting it all together and then I will make a peer assessment on what I did and what I could improve on and uploaded it onto digital space.
