BEHAVIOURS FOR LEARNING	DISENGAGED	COASTING	ENGAGED	ENQUIRING
Highlight the box which you feel reflects the pace you are working at this week	Serious concerns exist about your approach inside and outside the classroom. It is vital to ensure that your attitude to learning changes. You are at risk of failing.	Concerns exist about your approach to learning. You need to address your areas of weakness as you are not fulfilling your potential.	You are making progress. You are on the right track and are working well but you could take more responsibility for driving your own progress.	Your approach is excellent inside and outside the classroom. You should be proud of your attitude to learning and are on track to fulfil your potential.

What did you do last week?	<input style="width: 85%;" type="text" value="I started my game design story board but not finished yet"/>
What are you doing this week?	<input style="width: 85%;" type="text" value="Mind map and story board for my GIF idea"/>
Are you on track?	<input style="width: 85%;" type="text" value="I don't think i'm on track due to the time lost when I was ill with COVID-19"/>
What do you need help with?	<input style="width: 85%;" type="text" value="I need help and guidance on the areas i'm missing and need to improve on"/>
Any other comments?	<input style="width: 85%;" type="text" value="It's been hard working on my own at home but I can speed up once i'm back at college"/>
