Introduce yourself:

I am an ambitious and creative person. I had a very friendly and talkative person. For many years I wanted to become an architect and since pandemic, my career plans have changed into me wanting to go into interior designing or digital marketing.
I have explored other categories in different careers such as admin, retail, online.
I like taking risks and exploring new things and seeking out to meet new people. I can be shy and quiet at first but as soon as I adapt and acknowledge my surrounding, I can be myself.

Tell me about your hobbies:

My hobbies are:

- Drawing
- Messy "I don't know what?" painting
- Cycling
- Photography
- Learning new things
- Scrapbooking

Tell me about your previous educational experience:

It was kind of exciting but very boring at the same time. Due to covid half of the year was online, where most of work was hard to process which made assignments very hard to do and made socialising even more hard. However, the other half of the year was harder as we were more unable to open to the class fellows as we hardly knew anyone however it was a great experience to tell, and different area of the curriculum learnt.

Tell me about your homelife:

Very comfortable and different. A great small and supportive family. At home, it's just the real me and my family. My family consists of ME, my parents, my 3 sisters, my brother-in-law and my cute little nephew, who I adore more than anyone in world and owns the biggest part of my heart and life. Life at home is great. My...

What is important to you?

FAMILY. Is my first and most priority because without these guys I'm not me today. Then my friends, my calling, my passion and ... life?

What can the team do to support you best?

Help me stay on track, tell me if I'm left behind and what I can do to get the best grade possible and maybe provide me with the help and resources which are needed.

What are you most looking forward to on the course?

Taking the risks to learn new things and trying out things. Moreover, being able to learn the secrets of these editing and much more.

Please list 3 of your strengths:

1) Creativity

2) Enthusiasm, can help motivate someone

3) Patience

Please list 3 of your weaknesses:

1) I have trouble saying "no."

2) I have a hard time letting go of a project.

3) I get impatient when projects run beyond the deadline.

What are your aspirations for the future?

TO BE WHO I AM and be confident, stop relaying on people and stop making fake friends.
Become a successful person or not but always make decisions honestly and always support the truth.
Become an interior designer or a digital marketer.

What are your hopes and fears for the course?

People not able to understand me and not able to take me serious, Hopes is to be supported to the best abilities and be told where I'm still a bit laid back and pushed forward "not physically".
