Practical Skills

Rose you have worked very well today. In the session you took on board the support and feedback from you level 3 EXT peers and developed your performance and learned your lines. You should feel very proud of what you have achieved today. You listened well, stayed focused and pushed yourself to develop the scene. Well done.

Areas for Development

Continue to develop this performance and have confidence in your performance. Try to improve your diction and projection moving forward. Be aware of your eyeline. If the audience makes you nervous consider finding points on the wall or focusing your eyes on the prop in your hands.
