Practical Skills

You are working well practically, you are supportive of your cast and work well in a team. You share your ideas and demonstrate confidence in the space. However, sometimes you can be easily distracted by your peers. Also be sure to learn all your lines in time for the performance, this will give you the opportunity to explore the character deeper.

Areas for Development

- Develop line learning techniques. Research multiple ways to learn lines and reflect on your research on your digital space.
- Improve focus in the space to develop your professional practice. Explore focus techniques to regain focus after distractions.
