

**1 INT. TV STUDIO - DAY****1**

Dexter Manning is the presenter of a News channel. He isn't very good and is close to being sacked.

DEXTER

Hello, my name is Dex Manning and you're watching CBA News. In today's news I'm fed up of this job, My boss is an arsehole and I'm going to blow my brains out.m

DIRECTOR

(Shouting)

Cut!

DEXTER

What,why? I thought that went really well.

DIRECTOR

Dexter I swear to god, Just go through the items on the auto cue.

DEXTER

I'm not saying that.

DIRECTOR

Why?

DEXTER

Because no one gives one about a little kid in Girlington who's gone and sold some Pokemon cards for his dads cancer!

DIRECTOR

It's heartwarming.

DEXTER

It's not heartwarming. It's just some little kid looking for attention in the paper. If he was actually doing it for his dads cancer he would've gone and got a real job like the rest of the world.

DIRECTOR

Yeah, well this is your job and currently you're the one not doing your job.

DEXTER

What if I don't want it to be my job?

DIRECTOR

That's not how jobs work Dex. You have a contract with us, and that doesn't even run out until 2026.

DEXTER

Ok, what if I killed myself?

DIRECTOR

Why would you even say that?

DEXTER

No seriously, what if I kill myself.

DIRECTOR

Ok Dexter, that's really offensive.

DEXTER

How is that offensive, I am talking about killing myself. It's not like I'm singling out members of the crew and going "Oh you're definitely going to kill yourself." Like James or whatever his name is.

MEMBER OF CREW

(Quietly)

My name is Steven.

Dexter shrugs his arms at him signalling he doesn't care.

DIRECTOR

(Cutting him off)

Ok. Dexter, Please can you just do the story and we will talk after.

DEXTER

No I won't do the fucking story.

DIRECTOR

(Angry)

Why! What is your issue!

DEXTER

You want a story?  
 (Shouting)  
 Here's your story. Deranged TV  
 Presenter attacks lowlife scum  
 producer at honestly the worst news  
 station in England because he's a  
 whiny little bitch.

DIRECTOR  
 (Shouting)  
 DEXTER! DO THE STORY!

Dexter starting storming towards the door to the director's  
 control room. The director starts to panic.

DIRECTOR  
 Shit, get the door!

The director is pushing himself against the door but Dexter  
 is fighting back against him. Dexter gets into the control  
 room and starts beating the director.

DIRECTOR  
 Get security!

DEXTER  
 (Screaming)  
 YOU THINK SECURITY CAN HOLD ME? I'M  
 GOD BITCH!
