**Comments:**

Well done Isobel, you have completed this initial assessment to a good standard. Your guitar performance is excellent on this song and you have really developed as a guitarist. You have clearly thought about the presentation of the video and this adds to the excellent performance. It would be great to see you do a performance of this piece with a band or a multitrack recording at some point. Your evaluation is concise and well written, but it could be more extensive at this level. Overall, you have given an excellent guitar performance and have lots of potential as a performer. It would be great to see you develop your guitar skills further this year as well as completing more songwriting. Try to be more detailed with your written work in future!
