

Student Evaluation Sheet Interview

- What progress have you made on your FMP so far?

I have finished task 1 and 2 as well as my proposal and I am going to make a start on my script over the holidays. I might conduct a text check if I finish my script before the end of the holidays.

- What are the strengths of the work you have completed so far? (Research, Context, Planning, Practical, Evaluation)

Research wise yeah I think I am pretty strong on that as I have finished all of it. The context of my project is fully explained through my research.

- What are the weaknesses of your project so far? (Research, Context, Planning, Practical, Evaluation)
Planning is one of the weakest parts as well as practical since I am not sure if I can run a test check over the holidays.

- What problems have you encountered and how have you solved them?
No problems encountered.

- How do you feel about your project? are there things you would have done differently?

No I think I would have been more focused on my planning

- Is there anything you can do that will significantly enhance the quality of work? (Research, Context, Planning, Practical, Evaluation)

I think I would enhance the quality of my evaluation to all of my previous projects so I can get an excellent.
