Hello I'm Clarke, since the beginning of lockdown I've been playing guitar and have self taught myself ever since. I am currently studying music performance and production at college, I love music with a passion and love to perform.

I also have a passion for engineering and mechanics, I used to fix RC cars as well now enjoy fixing electric guitar's and tinkering with my mini moto bike.

## Work Experience

---

### **Pot Washer, labourer**

waiter,Gardener Cockshott builders, The old bank,-Steeton Hall-Silsden

October 2021 to January 2022

I'm a level 3 Music student and I'm looking for a part time job. I work hard and passionately and am always willing to expand my work ethic. I have good leadership and communication skills because of my work at college. I also enjoy and am good at doing manual labour.
