Comments:

Jaheim, you have completed this initial assessment to a Satisfactory standard.

Your performance of both songs is excellent, Neurotica could have been executed more cleanly but it is a difficult piece so it is good to see you challenge yourself. You have really developed your guitar skills. Your evaluation is a little descriptive at time and could include ideas of how to improve in the future. You should also consider showcasing your other skills such as singing, possibly a performance of vocals and guitar.

Please now set yourself three SMART targets to improve after receiving this feedback.
