## Scene 2

Scene 2 – Arrival & Wudhu:

Boy (Voice-over):

“Before we start our lessons, we get ready by taking off our shoes and making ablution.”

“Ablution is a special way of washing that helps us get clean before prayer. We wash our hands, face, arms, head, and then feet.”

“It helps me feel calm. Like I’m getting ready to do something really special for Allah.”

## Scene 3

Scene 3 – Classroom Entry & Learning:  
Boy (Voice-over):

"When we come into class, we always enter with the greeting of 'Salaam'. The word Salaam simply means peace be upon you. Everyone replies back, and it feels nice. It's like we're all part of a big family."

"We learn the Qur'an every day. It's in Arabic, and our teacher helps us sound out the words properly. I'm learning to read more fluently now!"

"We don't just read—we also learn what it means. Some surahs teach us to be kind, or to always tell the truth."

"We also have Islamic Studies. That's where we learn about the prophets, how to treat our parents kindly, and how to be good online too."

"It's not boring—it's actually fun. We sometimes do quizzes, group work, or even little plays to help us remember."
