Comments:

Bradley, I really enjoyed watching and listening to your initial assessment. Both the jam cover and *Valerie* were performed with confidence, and you demonstrated a strong natural feel for music. Whatever you play has a great sense of groove, which is one of the most important qualities in music.

While the pieces weren't overly technical, you performed them with assurance and even went beyond expectations by submitting two recordings instead of one. That definitely deserves an excellent grade.

Your evaluation was clear and thoughtful, and I was pleased to see your focus on harmony and different chord choices. Your song selections also worked very well. I'm looking forward to seeing how you continue to develop from here.

Well done.
