

### Character analysis for the characters of my short film

Rebecca= Rebecca is a teenage girl that is suffering from depression and is the main target for bullying from her bully Charlotte. She is unmotivated to do her work in her lessons and in her mind everything is depressing and bad.

Charlotte= Charlotte is very clever but has a big ego for she tends to bully Rebecca and finds great satisfaction in doing it.

Mr Long= Mr Long is a helpful staff member to Rebecca and is willing to do anything to help. In the end she helps prevent Rebecca from committing suicide.

Mr Hamilton= Mr Hamilton is Rebecca's history teacher. Mr Hamilton tends to be stricter towards Rebecca but he is also fair towards his students for when Charlotte throws a paper ball at Rebecca he sends her out of his lesson
