

Storyboard for my short film project 1

I have used some images that I have found from google and some that I have made using an ai software called Adobe Firefly.

The main character
Rebecca is narrating
about her fantasy life

Instantly cuts
to Rebecca in
her room
going on her
laptop with a
dull
expression.

Cut to Rebecca
walking to her
classroom.

Camera shifts over to other kids pulling faces at her and whispering mean comments about Rebecca.

We cut to Rebecca in her history lesson with Mr Hamilton.

Mr Hamilton seeing Rebecca resting her head in his classroom decides to make an example out of Rebecca for Mr Hamilton purposely asks Rebecca a question that she can't answer.

Charlotte answers Mr Hamilton's question. Charlotte makes fun of Rebecca but Mr Hamilton tells her to stop.

We cut to the end of the lesson where Mr Hamilton allows everyone in his classroom to leave for their break but keeps Rebecca in.

Mr Hamilton talks to Rebecca but Rebecca is mostly silent.

Rebecca encounters a helpful member of staff that she knows but doesn't tend to talk to called Mr Long(played by Jonathan Dillon).

We cut to Rebecca who is back at home and encounters her brother Jonathan who is part of a band making fun of her but she ignores him.

Rebecca is trying to talk to her mum who is cooking but her mum brushes her off.

Rebecca tries talking to her dad who is busy on the laptop but her dad brushes her off.

Rebecca decides to go to her room to go to sleep.

Whilst she is sleeping she has a dream of Mr Hamilton, Charlotte and the rest of the kids at Mr Hamilton's classroom all taunting her.

Rebecca
wakes up but
goes to sleep
again.

We cut to the next day
where in Mr Hamilton's
classroom Charlotte throws
something at Rebecca
behind her head which leads
to Mr Hamilton kicking
Charlotte out of his
classroom.

We then cut to
Rebecca sitting at a
table all alone and
pulling out a knife out
of her bag.

There will be a flashback scene where Rebecca sneaks a knife out of her tech classroom.

However Mr Long (played by Jonathan Dillon) puts his hand on Rebecca's right shoulder to show us the viewer that there is always someone to talk to.
