ANONYMOUS KID

(talking in a angry and frustarted tone)  
Oy, you old bastard give me your money

JOHN

(Talking camley)  
Well mate I'm not sure if your mum didn't teach you any manners but I don't want things to exculate.

ANONYMOUS KID

(talking in a angry and frustrated tone)  
Look you old fart, You ethier give me the money or I am going to put a bullet throught that thick bald skull of yours.

JOHN

(talking camley)  
You can try but once these individuals see me laying dead on the floor then trust me, you have thrown you whole future in Jeopardy.

ANONYMOUS KID

(talking in a mocking tone)  
Oh if it isn't grandpa give me life lessons.  
(talking in frustrated tone)  
Listen you ethier give me the money or else I am going to put you in the grave. I have had enough, your wasting my time.

JOHN

(talking camley)  
Listen young man. I don't know you but do you really think your about to do something stupied all because you care about money.

ANONYMOUS KID

(talking in angry and frustrated tone)  
Give me the fu\*\*ing money or else,  
I am going fu\*k you up.

JOHN

(talking in a calm tone)  
Well, it looks like I can't win  
with you so fine I'll give you the  
money.

John goes through his pockets with a gun and quickly hits the man's neck busting his wind pipe. The kid goes down on his knees and continuously gags.

John looks down at the kid gaging on his knees.

JOHN

(talking calmly)  
I am sorry young man, but  
unfortunately you gave me no choice.

INT. Hospital

We see a therapist calling John name.

THERAPIST

John Jakeobs.

John walk towards where the therapist is. They both go to a room.

THERAPIST

Hi there so I am Amy so I was  
wondering if you could tell me why  
you have come to see help from a  
professional therapist and what's  
been happening.

JOHN

Well lets just say things have been very difficult. I am an ex millteray soldier. I have witnessed my friends die horrifcly. When I come back things started to get diffcuilt with my ex wife. I found out she cheated on me with a bloke with lots of money. We were fighting for the custerdy for my daughter but unfortuantly she won. I feel so alone but also so free. If I could have my daughter but not have her. Then things would have been great.

THERAPIST

Well what do you think went wrong with the relationship between you and your ex wife.

JONATHAN DILLION

I honastly don't know for I am starting to get old and lose my memory a bit. I have tried the anti depressents but those haven't worked.

THERAPIST

Do you still get in contact with your daughter.

JOHN

No. I wish we would but unfortuantly not.

THERAPIST

Why?

JOHN

Its because when I come back from the war, I was a diffrent person. I would constantly worry about Rebecca and make sure she was alright. One time she asked me if she wanted to go to paris with her friends but I said no because I cared for her. She threw one big temper tantrum. I felt so incredible bad. How could I let down my little buttercup but also not be caring. Ever since then she has isolated herself from me.

THERAPIST

So sorry to hear that, how about your ex wife.

JONATHAN DILLION

(talking in a upset and frustrated tone)

I mean to be honest I am angry at her for taking the one thing that matterd the most to me. I am glad I don't have her in my life, but to take my daughter with her whilst also being unfaithful to me.

THERAPIST

I know your angry at her. She took the one person that really matterd to you. You seem as if you had to suffer a lot. How is your life like now.

JOHN

Could be better. Watch some news in the morning. Go to work. Sometimes go to the local cafe's or bar's. Got in a fue scuffel. Broke a few bones here and there. Today morning some kid threatend to shoot me if I didn't hand me my money so I broke his windpipe with my gun. As you can imagine, I have had quite a tough life.

THERAPIST

(talking in a surprised tone)  
Well my advice would be is to go for a walk here and there and also get out more, start enjoying life. Also what I would recomand is to talk to your wife in a respectfull conversation and tell her how you really feel. Anyway thank you for coming it's been a real pleasure.

JOHN

Thank you.

We see John calling his ex wife Emily.

EMILY

Hello.

JOHN

Emily it's me John

EMILY

(talking in a rude tone)  
What do you want.

JOHN

(talking in a miserable tone)  
Emily things have been extremely  
difficult when you took Rebecca  
with you.

EMILY

(talking in a rude tone)  
Rightfully soo

JOHN

(talking in a miserable tone)  
Look I am at a point in my life  
where I just feel alone and am not  
enjoying life. I have tried going  
to the cafe and local bar's but  
everytime someone just wants to  
have a go at me. This morning  
someone tried to rob me, so I  
decided to break his windpipe with  
my gun. I am at a point now where I  
don't want to die without seeing my  
daughter for the very last time. I  
know you and I haven't had a good  
relationship ever since I come back  
from the war, but all I ask is that  
I can visit my daughter over at  
Jaime's.

EMILY

(talking in a rude tone)  
Listen Macho Man Rebecca is fine  
with me and Jaime plus I don't  
think Rebecca wants to see you.

JOHN

(talking in a miserable tone)  
(talking in a curious tone)  
What do you mean.

EMILY

(talking in a rude tone)  
Well just to refresh your memory,  
you did not let her go to paris  
with her friends.

JOHN

(talking in a miserable tone)

Look Emily, I wasn't prepared for my little girl to go out all alone. I didn't want anyone to take advantage of her. Please find it in your heart to understand.

EMILY

(talking in a rude tone)  
Look don't try to play too goody to shoes here for she was so excited to be with her friends. She needs to go out and experience memories with her friends that she will carry in her adult life. But you didn't care about that for you only cared about your stupid values.

JOHN

(talking in a miserable tone)  
Look Emily at somepoint there will come a time where I won't be here anymore. I have tried the anti depressants but they haven't worked. I feel that all of this is because I haven't got Emily with me.

EMILY

(talking in a rude tone)  
Look don't try to tell me your sad story. Look maybe I will ask Emily if she wants to see you but if she no then no is no.

JOHN

Thank you so much Emil, I greatly appreciate it.

EMILY

save it.

**2 INT. JAIME'S HOME**

**2**

Emily calls Rebecca

EMILY

Rebecca I need to have a word with you.

Emily sits down with Rebecca

EMILY

Your real dad wants to come vist  
over here to see how your are  
doing. If you don't want to see him  
thats absolutly fine.

REBECCA

Why would I want to see him.

EMILY

Well you don't have to.

REBECCA

To be honest I don't know, I mean  
you know what happend when he said  
no to me going to parris, but also  
I am not sure if I want to see him.  
What do you think?

EMILY

To be honest, it is 100 percent  
your choice I mean I can't speak  
for you. But things have got preety  
messed for him for he called now  
saying that he was on anti  
depressents but he feels that  
cheeking to see if you are okay  
will help him.

REBECCA

How bad is it?

EMILY

I would say preety bad to the point  
he isn't starting to enjoy his life  
for when he goes to a cafe or bar,  
someone tries to have a go at him.

REBECCA

I don't know weather to say yes or  
no. What do you think is best.

EMILY

Well Rebeeca this is just what I am  
going to say so you ethier take it  
or not. When he called me he seemed  
depressed and upset. He seemed very  
shallow inside. I know you haven't  
had the best relationship with him  
but I would recomanded him just  
making a little visit to cheek if  
you are alright. I mean after all  
he is your dad but it is your  
choice and I don't want to force  
you.

REBECCA

I mean yeah. I just hope everything goes okay.

EMILY

Fine then I am going to ring him and tell him, you are alright in him coming over.

**3 INT. JAIME'S HOME**

**3**

We see John coming to Jaime's home. Emily opens the door and John looks at Rebecca happily.

JOHN

Oh if it isn't my little princess.

REBECCA

(talking in a sarcastic tone)

I MEAN HELLO THERE.

JOHN

How lovely is it to see you.

Jaime appears.

JAIME

So you must be John I take it.

JOHN

Yest that's me.

JAIME

Is there anything you want John like anything to eat for I could have chefs cook you a medium rare steak or if you want I could call for a takeaway to be deliverd.

JOHN

No thanks for I am so happy to see my daughter. I was wondering if I could take her out somewhere to pherhaps eat or buy her some gifts.

JAIME

Well how its going to work is you can take Rebecca anywhere but I am going to have to come with you.

JOHN

(talking in a annoyed tone)

Oh come on Jaime do I look like I am about to kidnap my own daughter.

JAIME

Look John you maybe a nice guy but I don't want anything bad happening to my daughter.

JOHN

(talking in a angry and frustrated tone)  
She is not your daughter for she is my daughter.

JAIME

(talking in a mocking tone)  
She was your daughter untill you decided to be a big bi\*ch by not letting her go to parris with her friends.

John grabs Jaime by his shirt.

JOHN

(talking in a angry and frustrated tone)  
I don't know who you think you are but lets get this staight she is my daughter.

JAIME

(talking in a mocking tone)  
Well John I don't if you have had another bear or two. But the way I see it your just man who has lost everything. You ethier let go of me or I am going to have to call my bodyguards to physically remove you. Trust me they will drag you like a dog.

REBECCA

let go of him dad.

John lets go's of Jaime.

REBECCA

(talking in a frustrated tone)  
Dad are you stupied, I mean have you lost the plot.

JAIME

Oh look its alright it's just  
 sometimes adults might have a bit  
 of a falling out.  
 (talking in a suprised tone)  
 But what do you say lets go to  
 wherever your father is going to  
 take use.

John turns to Rebecca.

JOHN  
 Rebecca, do you really want him to  
 come.

REBECCA  
 Yes just in case you try to be  
 sneaky.

JOHN  
 Rebecca, you know I am not like  
 that.

JAIME  
 Come on Johnny boy listen to your  
 daughter.

JOHN  
 fine if that what you want Rebecca.

John take Rebecca and Jaime to a restraurant.

 So I was wondering who is going to  
 pay for the meal.

JOHN

John looks at how much money he has got in his pocket.

JAIME  
 Have you got enough money to pay  
 for the food Johnny boy for you do  
 know that I can pay for the food.

JOHN  
 Unfotuantly not. You can pay Jaime.

REBECCA  
 Wait so dad is not going to pay for  
 the meal.

JOHN

Look Rebecca, I have been off i'l  
for quite some time.

JAIME

don't worry for I will pay for the  
dinner and everything is going to  
be alright.

Rebecca faces towards Jaime.

REBECCA

Thank you so much dad.

JOHN

No problem my little princess.

John takes Emily and Rebecca to a gift shop.

JOHN

Is there anything you would like  
from here.

REBECCA

Can I have that dad.

Rebecca points to one of the things in the glass cabinets.

John cheeks how much money he has got.

JAIME

Well Johnny boy haven't got enough  
for that thing that she wants.

JOHN

(talking in a frustrated tone)  
Will you be quite for this is  
embarrassing.

John faces Rebecca.

JOHN

Look sweetheart I haven't got  
enough for that thing that you  
want.

REBECCA

(Talking in a angry and frustrated  
tone)  
Dad are you legit broke?

JAIME

Well I have and there is no way I would allow my princes not getting what she wants.

Well didn't we have a good time?

REBECCA

(talking in a happy tone)  
Yes we did.

JOHN

JAIME

Oh whats it about.

EMILY

Yeah John what is it about.

JOHN

Emily please stay out of this.  
Hannah, you and your mum go outside for I am going to have a word with Jaime.

Hannah and Emily go outside.

JOHN

Listen Jaime I don't appreciate how you decided to rub it in my face.

JAIME

(talking in a jokeing tone)  
Comeone on now Johnny boy you didn't have enough money.

JOHN

(talking in a frustrated tone)  
Don't call me that. I appreciate you being ever so kind and paying for the food and that thing she wanted from the gift shop.

JAIME

(talking in a mocking tone)

No you don't appreciate what I have done for you mostly care about yourself for to be quite frank you were quite salty over me paying for the food and Rebecca's present. Just a bit of advice. Don't be a big bi\*\*h when things don't go your way.

John in absolute anger grabs Jaime by the shirt.

JOHN

I'll show you who is a real bi\*\*h.

Hannah and Emily come in to the room quickly.

REBECCA

Stop!

EMILY

Stop?

JAIME

Don't worry about me. I am going to show Old timer who he really is messing with

Jaime punches John in the gut causing John to get down on his knees.

REBECCA  
(talking jokeingly)
