

# **Sayhan's Fourth Script For My Video Insert**

Next up, we have a guest who's been closely following the WWE 2K series.

He sees great potential in these games but believes 2K isn't fully capitalizing on it. With WWE 2K25 approaching, he has concerns about whether the series will meet fan expectations. Today, he'll share his thoughts on its current state and what changes 2K needs to make to keep players engaged.

Please welcome Ahmed Raza!
