

## Half-Term Gallery Visit & Photo-Shoot

### Gallery

Over the half-time break we ask that you take the time to visit a photography gallery or exhibition

You should write an evaluation of your visit, pick up any leaflets and take photos (you may need to ask permission), so that you have some good evidence for your sketchbook/PowerPoint. Try to relate this to the Pocket Planet theme – “different things from different places”.

Research before you go to see what’s on, opening times and any entry fee.

### Photo-Shoot

Please complete a photo-shoot over the break exploring the Pocket Planet theme and your early ideas. This could be a Hockney Joiner, developing on those you have already created (remember Paul will be showing you how to put these together using Photoshop).
